Echoes of the Valley -- Arts & Literature 2023

Creative Voices from the Technological Community

Bridging science and the humanities: poetry, essays, and campus photography.

An artistic tribute to the natural beauty and academic spirit of Uva.

Poetry from the Mist -- Montane Reflections

Student Poetry Collection

Verses written amidst morning fog on the Passara hills.

Themes of discovery, perseverance, and curiosity in the laboratory.

Visual Gallery: Wildlife and Campus Architecture

Photographic Portfolio

Capturing endemic bird species around the university reservoir.

Modern concrete architecture nestled in verdant highland greenery.

Concluding Notes from the Editorial Guild

Preserving Creative Expression in STEM

Thank you to all contributors who shared their art and stories.

Uva Wellassa University Student Publications Guild 2023.
